THE NEWSLETTER FOR THE MIATAS OF MUSKOKA

VOLUME 1, NO. 1

Hello Everyone,

Welcome to the premier edition of the **Miatas of Muskoka** newsletter, designed to provide members with pertinent information regarding the club and your car. We are asking members to provide alternative suggestions for the name of this newsletter.

Our first "Meet & Greet" took place on Sat July 24, 2010 and can easily be determined as a success. Those members who attended had the opportunity to meet other Miata enthusiasts as well as see their cars.

We had ten Miatas to check out and a wide range of generations, colours and modifications to take in.

After introductions and some "bench racing" Gord Bauldry led the caravan to Skyways restaurant for a brief group meeting over coffee to discuss some future plans/trips/events. Some events discussed were such things as Poker runs, overnight cruises to exotic locations (what Ottawa isn't exotic?) and day trips both during the week and on weekends. The group departed after leaving Gord & Laurel Bauldry with a few trip suggestions which will be organized and communicated to you shortly.

We would like to thank you for your interest and look forward to a long and happy relationship with your club and your Miata.
